The Honorable Mac Thornberry  
Chairman  
Subcommittee on Emerging Threats & Capabilities  
House Armed Services Committee  
U.S. House of Representatives  
Washington, DC 20515

Dear Chairman Thornberry:

Thank you for the opportunity to appear before the House Armed Services Committee Subcommittee on Emerging Threats and Capabilities on March 11<sup>th</sup>. I hope I was able to provide the Subcommittee with an appreciation for the breadth and scope of the Defense Threat Reduction Agency's contributions and commitment to countering weapons of mass destruction (CWMD) as well as our counterproliferation strategy.

I appreciate your continued support of the DTRA mission and in particular, the consideration given to the DTRA budget during the recent Subcommittee markup. With this sustained commitment, and as we become more efficient and effective, we will meet the challenges presented by weapons of mass destruction.

I would like to invite you and your staff to visit the Defense Threat Reduction Center at Fort Belvoir, VA. We would be honored to host you and provide a more comprehensive review of DTRA's overall CWMD efforts. Please feel free to contact me at 703-767-4883 or Mr. Don Minner of my Legislative and Governmental Affairs Office at 703-767-4940. Thank you for your support!

Sincerely,
